

just ended. Thus, for purposes of determining if an R.R.T.A. employer qualifies to use the Monthly rule for calendar year 1993, a lookback must be made to calendar year 1991. New employers shall be treated as having employment tax liabilities of zero for any calendar year during which the employer did not exist.

(2) *Exception.* An employer shall immediately cease to be allowed to use the Monthly rule after any day on which that employer is subject to the One-Day rule set forth in § 31.6302-1(c)(3). Such employer immediately becomes subject to the Semi-Weekly rule of § 31.6302-1(c)(2) for the remainder of the calendar year and the following calendar year.

(d) *Effective/applicability date.* This section applies to deposits and payments made after December 31, 2010.

[T.D. 8436, 57 FR 44105, Sept. 24, 1992, as amended by T.D. 9507, 75 FR 75903, Dec. 7, 2010]

§ 31.6302-3 Federal tax deposit rules for amounts withheld under the backup withholding requirements of section 3406 for payments made after December 31, 1992.

(a) *General rule.* The rules of § 31.6302-1 shall apply to determine the time and manner of making deposits of amounts withheld under the backup withholding requirements of section 3406.

(b) *Treatment of backup withholding amounts separately.* A taxpayer that withholds income tax under section 3406 with respect to reportable payments made after December 31, 1992, and before January 1, 1994, may, in accordance with the instructions provided with Form 941, deposit such tax under the rules of § 31.6302-1 without taking into account the other taxes described in paragraph (e) of § 31.6302-1 for purposes of determining when tax withheld under section 3406 must be deposited. A taxpayer that treats backup withholding amounts separately with respect to reportable payments made after December 31, 1992, and before January 1, 1994, shall not take tax withheld under section 3406 into account for purposes of determining when the other taxes described in paragraph (e) of § 31.6302-1 must otherwise be deposited under that section. See § 31.6302-4

for rules regarding the deposit of income tax withheld under section 3406 with respect to reportable payments made after December 31, 1993.

(c) *Example.* The following example illustrates the provisions of this section.

Example. For the last two calendar quarters of 1991 and the first two calendar quarters of 1992, Bank A reports employment taxes with respect to wages paid totalling in excess of \$50,000. For the same four quarters, pursuant to section 3406, A withholds income tax with respect to dividend payments in an amount aggregating less than \$50,000. For deposit and reporting purposes, A treated the backup withholding amounts separately from the employment taxes with respect to wages paid. Accordingly, for calendar year 1993, if A chooses to treat the items separately, A must use the Semi-Weekly rule of § 31.6302-1(c)(2) to deposit taxes with respect to wages paid but may use the Monthly rule of § 31.6302-1(c)(1) for the deposit of backup withholding amounts. If A chooses not to treat the items separately, the Semi-Weekly rule would apply to the combined amount of both the taxes with respect to wages paid and the backup withholding amounts.

[T.D. 8436, 57 FR 44106, Sept. 24, 1992, as amended by T.D. 8504, 58 FR 68035, Dec. 23, 1993]

§ 31.6302-4 Deposit rules for withheld income taxes attributable to non-payroll payments.

(a) *General rule.* With respect to non-payroll withheld taxes attributable to nonpayroll payments made after December 31, 1993, a taxpayer is either a monthly or a semi-weekly depositor based on an annual determination. Except as provided in this section, the rules of § 31.6302-1 shall apply to determine the time and manner of making deposits of nonpayroll withheld taxes as though they were employment taxes. Paragraph (b) of this section defines nonpayroll withheld taxes. Paragraph (c) of this section provides rules for determining whether a taxpayer is a monthly or a semi-weekly depositor.

(b) *Nonpayroll withheld taxes defined.* For purposes of this section, effective with respect to payments made after December 31, 1993, *nonpayroll withheld taxes* means—

(1) Amounts withheld under section 3402(q), relating to withholding on certain gambling winnings;

(2) Amounts withheld under section 3402 with respect to amounts paid as retirement pay for service in the Armed Forces of the United States;

(3) Amounts withheld under section 3402(o)(1)(B), relating to certain annuities;

(4) Annuities withheld under section 3405, relating to withholding on pensions, annuities, IRAs, and certain other deferred income; and

(5) Amounts withheld under section 3406, relating to backup withholding with respect to reportable payments.

(c) *Determination of deposit status*—(1) *Rules for calendar years 1994 and 1995.* On January 1, 1994, a taxpayer's depositor status for nonpayroll withheld taxes is the same as the taxpayer's status on January 1, 1994, for taxes reported on Form 941 under § 31.6302-1. A taxpayer generally retains that depositor status for nonpayroll withheld taxes for all of calendar years 1994 and 1995. However, a taxpayer that under this paragraph (c) is a monthly depositor for 1994 and 1995 will immediately lose that status and become a semi-weekly depositor of nonpayroll withheld taxes if the One-Day rule of § 31.6302-1(c)(3) is triggered with respect to nonpayroll withheld taxes. See paragraph (d) of this section for a special rule regarding the application of the One-Day rule of § 31.6302-1(c)(3) to nonpayroll withheld taxes.

(2) *Rules for calendar years after 1995*—(i) *In general.* For calendar years after 1995, the determination of whether a taxpayer is a monthly or a semi-weekly depositor for a calendar year is based on an annual determination and generally depends on the aggregate amount of nonpayroll withheld taxes reported by the taxpayer for the lookback period as defined in paragraph (c)(2)(iv) of this section.

(ii) *Monthly depositor.* A taxpayer is a monthly depositor of nonpayroll withheld taxes for a calendar year if the amount of nonpayroll withheld taxes accumulated in the lookback period (as defined in paragraph (c)(2)(iv) of this section) is \$50,000 or less. A taxpayer ceases to be a monthly depositor of nonpayroll withheld taxes on the first day after the taxpayer is subject to the One-Day rule in § 31.6302-1(c)(3) with respect to nonpayroll withheld taxes. At

that time, the taxpayer immediately becomes a semi-weekly depositor of nonpayroll withheld taxes for the remainder of the calendar year and the succeeding calendar year. See paragraph (d) of this section for a special rule regarding the application of the One-Day rule of § 31.6302-1(c)(3) to nonpayroll withheld taxes.

(iii) *Semi-weekly depositor.* A taxpayer is a semi-weekly depositor of nonpayroll withheld taxes for a calendar year if the amount of nonpayroll withheld taxes accumulated in the lookback period (as defined in paragraph (c)(2)(iv) of this section) exceeds \$50,000.

(iv) *Lookback period.* For purposes of this section, the lookback period for nonpayroll withheld taxes is the second calendar year preceding the current calendar year. For example, the lookback period for calendar year 1996 is calendar year 1994. A new taxpayer is treated as having nonpayroll withheld taxes of zero for any calendar year in which the taxpayer did not exist.

(d) *Special rules.* A taxpayer must treat nonpayroll withheld taxes, which are reported on Form 945, "Annual Return of Withheld Federal Income Tax," separately from taxes reportable on Form 941, "Employer's QUARTERLY Federal Tax Return" (or any other return, for example, Form 943, "Employer's Annual Federal Tax Return for Agricultural Employees"). Taxes reported on Form 945 and taxes reported on Form 941 are not combined for purposes of determining whether a deposit of either is due, whether the One-Day rule of § 31.6302-1(c)(3) applies, or whether any safe harbor is applicable. In addition, taxes reported on Form 945 and taxes reported on Form 941 must be deposited separately. (See paragraph (b) of § 31.6302-1 for rules for determining an employer's deposit status for taxes reported on Form 941.) Taxes reported on Form 945 for one calendar year must be deposited separately from taxes reported on Form 945 for another calendar year.

(e) *Effective/applicability date.* Section 31.6302-4(d) applies to deposits and payments made after December 31, 2010.

[T.D. 8504, 58 FR 68036, Dec. 23, 1993, as amended by T.D. 9507, 75 FR 75903, Dec. 7, 2010; T.D. 9524, 76 FR 26602, May 9, 2011; T.D. 9586, 77 FR 24612, Apr. 25, 2012]
